Recommended Cash and Share Offer

for

Clipper Logistics plc ("Clipper")

by

GXO Logistics, Inc ("GXO")

Completion of Recommended Cash and Share Offer

On 28 February 2022, the board of directors of Clipper and GXO announced that they had reached agreement on the terms and conditions of a recommended cash and share offer to be made by GXO for the entire issued and to be issued share capital of Clipper (the "**Acquisition**"). It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**").

On 11 April 2022, the Scheme was approved by the requisite majority of Scheme Shareholders at the Court Meeting and the Special Resolution in connection with the implementation of the Scheme was passed by the requisite majority of Clipper Shareholders at the General Meeting.

Defined terms used but not defined in this announcement have the meanings set out in the scheme document sent to Clipper Shareholders dated 17 March 2022 (the "**Scheme Document**").

Completion of Recommended Offer

The board of directors of Clipper and GXO are pleased to announce that the Scheme has become Effective as of today, 24 May 2022, following the sanction of the Scheme by the Court two business days prior to the date of this announcement.

The entire issued and to be issued share capital of Clipper is now owned by GXO. Those Clipper Shareholders on the register of Clipper at the Scheme Record Time, being 6:00 pm on 23 May 2022, will receive 0.0359 New GXO Shares and 690 pence in cash subject to valid Mix and Match Elections made pursuant to the Mix and Match Facility.

Delisting of Clipper

Applications have been made to the Financial Conduct Authority and the London Stock Exchange in relation to the de-listing of the Clipper Shares from the premium listing segment of the Official List and the cancellation of the admission to trading of Clipper Shares on the London Stock Exchange's main market for listed securities have also been applied for and will take effect at 8:00am on 25 May 2022 (London time).

Admission of New GXO Shares

GXO has received confirmation from NYSE that the New GXO Shares have been approved for listing on NYSE, subject to official notice of issuance, and the listing and commencement of dealings will take effect by 9:30am on 27 May 2022 (New York time).

Results of the Mix and Match Facility

Valid Share Elections in respect of 12,526,017 Clipper Shares, representing approximately 11.99 per cent. of the aggregate number of Clipper Shares, and valid Cash Elections in respect of 82,531,331 Clipper Shares, representing approximately 79.01 per cent. of the aggregate number of Clipper Shares, were made by Scheme Shareholders.

The total number of New GXO Shares to be delivered pursuant to the Acquisition and the maximum aggregate amount of cash to be paid pursuant to the Acquisition will not be varied as a result of elections made under the Mix and Match Facility. Therefore, satisfaction of elections made by Scheme Shareholders under the Mix and Match Facility is dependent on the extent to which other Scheme Shareholders make elections.

Scheme Shareholders who made valid Share Elections have, in aggregate, had their elections satisfied in full.

Scheme Shareholders who made valid Cash Elections have, in aggregate, had such elections scaled down on a pro rata basis by 54.467906 per cent. so that 45.532094 per cent. of a valid Cash Election has been satisfied in full.

Scheme Shareholders who did not make valid Mix and Match Elections or have not participated in the Mix and Match Facility will receive the default consideration, which is 0.0359 New GXO Shares and 690 pence in cash, for each Clipper Share.

Settlement of the Consideration

Cash Consideration

Scheme Shares in uncertificated form (that is, in CREST)

For Scheme Shareholders who held their Clipper Shares in uncertificated form, settlement of cash consideration and any fractional entitlement (if applicable) to which such Scheme Shareholder is entitled will be paid by Clipper's Registrar through CREST in Pounds Sterling as soon as practicable after the Effective Date (but within 14 days after this announcement).

Scheme Shares in uncertificated form (that is, in CREST) held by the Clipper Corporate Sponsored Nominee

For Scheme Shareholders who held their Clipper Shares in uncertificated form, via the Clipper Corporate Sponsored Nominee, settlement of cash consideration to which such Scheme Shareholder is entitled will be paid by the Clipper Corporate Sponsored Nominee by cheque in Pounds Sterling.

Cheques in respect of cash consideration will be despatched by first class post, or by international standard post, if overseas at the risk of the person entitled thereto as soon as practicable after the Effective Date. Cheques for the Scheme cash consideration will combine any fractional entitlement due (if applicable). Cheques will be sent to Scheme Shareholders at the address held by the Clipper

Corporate Sponsored Nominee at the Scheme Record Time or, in the case of joint holders, to the holder whose name appears first in respect of the joint holding concerned.

Scheme Shares in certificated form (that is, not in CREST)

For Scheme Shareholders who held their Clipper Shares in certificated form, except with the consent of the Panel, settlement of cash consideration to which such Scheme Shareholder is entitled will be paid by Clipper's Registrar by cheque in Pounds Sterling.

Cheques in respect of cash consideration will combine any fractional entitlement due (if applicable) and will be despatched by first class post, or by international standard post, if overseas at the risk of the person entitled thereto as soon as practicable after the Effective Date (but within 14 days after this announcement). Cheques will be sent to Scheme Shareholders at the address appearing in Clipper's register of members at the Scheme Record Time or, in the case of joint holders, to the holder whose name appears first in such register in respect of the joint holding concerned.

Scheme Shares acquired by employees (including directors) under the Clipper Share Schemes

In the case of Scheme Shares acquired by employees of the Clipper Group on or around today's date, cash consideration will be paid to Clipper on behalf of the relevant employee to enable payment directly into the applicable bank account as soon as practicable after the Effective Date in accordance with the letters sent to them under Rule 15 of the Code and subject to any deductions that may be required to be made for income tax and/or employee social security payments.

New GXO Shares

Scheme Shares in uncertificated form (that is, in CREST)

Scheme Shareholders who held their Clipper Shares in uncertificated form through CREST (directly or through a broker or other nominee with a CREST account) at the Scheme Record Time will not be issued New GXO Shares directly, but will instead be issued with such number of GXO DIs as is equivalent to the number of New GXO Shares they would otherwise have received under the terms of the Scheme.

Computershare will be instructed by GXO to credit the appropriate stock account in CREST of the relevant Scheme Shareholder with such relevant Scheme Shareholder's entitlement to GXO DIs as soon as practicable after the Effective Date (but not later than 14 days after this announcement).

Scheme Shares in uncertificated form (that is, in CREST) held by the Clipper Corporate Sponsored Nominee on behalf of Clipper CSN Participants

Settlement of the New GXO Share consideration to which Clipper CSN Participants are entitled will be satisfied in the manner described in the above paragraph for Scheme Shares in uncertificated form (that is, in CREST), resulting in the Clipper Corporate Sponsored Nominee initially holding GXO DIs on behalf of Clipper CSN Participants. The Clipper Corporate Sponsored Nominee will, subject to a Clipper CSN Participant being eligible to enter into the GXO CSN Facility (and not electing to opt out of it), transfer the number of GXO DIs it receives on behalf of each Transferring Clipper CSN Participant to the GXO CSN Facility.

Equiniti will also arrange to sell any fractional GXO DIs due to each Clipper CSN Participant and issue cheques in respect of any fractional entitlement. Cheques for the Scheme cash consideration will combine any fractional entitlement due (if applicable). The cheques will be despatched by first class post, or by international standard post, if overseas at the risk of the person entitled thereto as soon as practicable and following settlement. Cheques will be sent to the relevant Clipper CSN Participants to the addresses held by the Clipper Corporate Sponsored Nominee at the Scheme

Record Time or, in the case of joint holders, to the holder whose name appears first in respect of the joint holding concerned.

Following the transfer of the GXO DIs held by the Transferring Clipper CSN Participants into the GXO CSN Facility (details of which are included in the terms and conditions in relation to the GXO CSN Facility which were posted with the Scheme Document), the GXO DIs representing the New GXO Shares to which a Transferring Clipper CSN Participant becomes entitled under the Scheme will be credited to an account of a nominee of Computershare within CREST, as nominee for and on behalf of such holders.

For those Clipper CSN Participants who opt out or are not eligible to participate in the GXO CSN Facility, the GXO DIs they will hold through the Clipper Corporate Sponsored Nominee will, following the closure of the Clipper Corporate Sponsored Nominee, be transferred such that the relevant Clipper CSN Participants will hold the New GXO Shares represented by the GXO DIs they held through the Clipper Corporate Sponsored Nominee directly through DRS and the name of each such Clipper CSN Participant will be entered as the registered owner of the relevant number of New GXO Shares.

Scheme Shares in certificated form (that is, not in CREST)

Those Scheme Shareholders who (i) held their Scheme Shares in certificated form at the Scheme Record Time, (ii) have a registered address in a GXO CSN Permitted Jurisdiction and (iii) have not opted out of the GXO CSN Facility, will be issued with such number of GXO DIs representing the New GXO Shares to which such Scheme Shareholders become entitled under the Scheme which will be credited to an account of a nominee of Computershare within CREST, as nominee for and on behalf of such holders. Such Scheme Shareholders who held their Scheme Shares in certificated form will receive a statement of entitlement from Computershare detailing their holding of GXO DIs shortly after the Effective Date (but within 14 days after this announcement).

Scheme Shareholders who held their Scheme Shares in certificated form who opt out or are not eligible to participate in the GXO CSN Facility, will be allotted and issued such number of New GXO Shares to which they become entitled under the Scheme directly through DRS by the Transfer Agent and the name of each such Scheme Shareholder will be entered as the registered owner of the relevant number of New GXO Shares. Scheme Shareholders who receive their New GXO Shares through DRS will be sent a book-entry account statement of ownership evidencing such Scheme Shareholder's ownership of New GXO Shares by the Transfer Agent shortly after the Effective Date (but not later than 14 days after this announcement).

For further information on settlement of the Consideration, please see paragraphs 8.3 and 8.4 of Part Two of the Scheme Document.

Overseas Shareholders

The release, publication or distribution of this announcement and/or any accompanying documents (in whole or in part) in or into or from jurisdictions other than the United Kingdom or the United States may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom or the United States (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction.

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared for the purposes of complying with English law and the Code and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside of England. Unless otherwise determined by GXO or required by the Code and permitted by applicable law and regulation, the Acquisition will not be made available directly or indirectly in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by use of mail or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.

Notice to Canadian Shareholders

The distribution of the New GXO Shares in Canada is being made only on a private placement basis exempt from the requirement that the issuer prepare and file a prospectus with the applicable securities regulatory authorities. GXO is not a reporting issuer in any province or territory in Canada, its securities are not listed on any stock exchange in Canada and there is currently no public market for the New GXO Shares in Canada. GXO currently has no intention of becoming a reporting issuer in Canada, filing a prospectus with any securities regulatory authority in Canada to qualify the resale of the New GXO Shares to the public, or listing the New GXO Shares on any stock exchange in Canada. Accordingly, to be made in accordance with securities laws, any resale of the New GXO Shares received as consideration in Canada must be made under available statutory exemptions from registration and prospectus requirements or under a discretionary exemption granted by the applicable Canadian securities regulatory authority. Canadian shareholders who receive New GXO Shares as consideration are advised to seek legal advice prior to any resale of the New GXO Shares.

Additional information for U.S. Investors

The Acquisition is being made to acquire the securities of an English company by means of a scheme of arrangement under English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement, which differ from the disclosure requirements of U.S. tender offer rules. The financial information relating to Clipper included in this announcement and the Scheme documentation has been prepared in accordance with IFRS (and also makes or will make use of alternative performance measures on the basis disclosed publicly by Clipper which are not defined by IFRS) and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with U.S. GAAP. U.S. GAAP differs in certain significant respects from accounting principles applicable in the United Kingdom.

The financial information included in this announcement and the Scheme documentation in relation to GXO has been or will have been prepared in accordance with U.S. GAAP, except as otherwise specified therein. If GXO exercises its right to implement the acquisition of the Clipper Shares by way of a Takeover Offer or otherwise in a manner that is not exempt from the registration requirements of the U.S. Securities Act, such offer will be made in compliance with applicable U.S. laws and regulations. It may be difficult for U.S. investors to enforce their rights and any claim arising out of the U.S. federal securities laws, since Clipper is incorporated under the laws of England and Wales (i.e. in a non-U.S. jurisdiction), and some or all of its officers and directors may be residents of, and some or all of its assets are or may be located in, a non-US jurisdiction. U.S. investors may not be able to sue a non-US company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

The New GXO Shares to be issued pursuant to the Acquisition have not been registered under the U.S. Securities Act, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the U.S. Securities Act. The New GXO Shares to be issued pursuant to the Acquisition will be issued pursuant to the exemption from registration provided by Section 3(a)(10) under the U.S. Securities Act. In this event, Clipper Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to GXO's Investor Relations team at Investor Relations, GXO Logistics, Inc., Two American Lane, Greenwich, Connecticut 06831.

New GXO Shares issued to persons other than "affiliates" of GXO (defined as certain control persons, within the meaning of Rule 144 under the U.S. Securities Act) will be freely transferable under U.S. law after the Acquisition. Persons (whether or not U.S. persons) who are or will be "affiliates" of GXO within 90 days prior to, or of the Enlarged Group after, the Effective Date will be subject to certain transfer restrictions relating to the New GXO Shares under U.S. law.

Neither the SEC nor any U.S. state securities commission has approved or disapproved of the New GXO Shares to be issued in connection with the Acquisition, or determined if this announcement is accurate or complete or has passed upon the fairness or the merits of the proposal described herein. Any representation to the contrary is a criminal offence in the United States.

It may be difficult for U.S. investors to enforce their rights and any claim arising out of the U.S. federal securities laws, as Clipper is incorporated under the laws of England and Wales, some or all of its officers and directors may be residents of, and some or all of its assets are or may be located in, a non-U.S. jurisdiction. U.S. investors may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

Save as specified in relation to certain of the documents incorporated by reference by paragraph 1 of Part Seven (Financial Information) of the Scheme Document, none of the financial information in this announcement has been audited in accordance with generally accepted accounting principles in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States). For the purposes of qualifying for the exemption from the registration requirements of the U.S. Securities Act afforded by Section 3(a)(10) thereof, Clipper will advise the Court that its sanctioning of the Scheme will be relied upon by GXO and Clipper as an approval of the Scheme following a hearing on its fairness which all Scheme Shareholders are entitled to attend, in person or through counsel, to support or oppose the sanctioning of the Scheme and with respect to which notification has been given to all such Scheme Shareholders.

The receipt of cash and New GXO Shares pursuant to the Acquisition by a U.S. Scheme Shareholder as consideration in accordance with the terms of the Scheme and the Acquisition will be treated as a taxable transaction for U.S. federal income tax purposes and possibly under applicable U.S. state, local, non-U.S. and other tax laws. Subject to the discussion in Part 9, paragraph (2)(i)(A) of the Scheme Document (Passive Foreign Investment Company Considerations), a U.S. holder generally will recognise capital gain or loss on the disposition of Scheme Shares for the New GXO Shares and cash equal to the difference between (i) the amount realised on such disposition (i.e., the USD value of the sum of the cash and the fair market value of the New GXO Shares received by the U.S. holder) and (ii) the U.S. holder's adjusted tax basis in such disposed Scheme Shares. A U.S. holder's tax basis in the Scheme Shares generally will be the USD value of the amount paid by the U.S. Scheme Shareholders to purchase the Scheme Shares on the date of purchase. Each Clipper Shareholder is urged to consult an independent professional adviser regarding the tax consequences of the Acquisition and Scheme applicable to him or her, including, but not limited to (i) as a result of the U.S. holder's status as other than an

individual, (ii) the potential application of special tax rules with respect to gain recognized by a U.S. holder upon a disposition of shares of a “passive foreign investment company,” and (iii) eligibility for treaty relief to the extent of any withholding tax or other tax that may apply outside of the United States.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, GXO, certain affiliated companies or its or their nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Clipper Shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside the United States and would comply with applicable law, including the U.S. Exchange Act. Such purchases or arrangements to purchase may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK, will be reported to the Regulatory News Service of the London Stock Exchange and will be available on the London Stock Exchange website at <https://www.londonstockexchange.com/stock/CLG/Clipper-logistics-plc/company-page>. Also, in accordance with normal UK practice and Rule 14e-5(b) of the U.S. Exchange Act, Barclays will continue to act as a connected exempt principal trader in Clipper Shares on the London Stock Exchange. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

This announcement does not constitute an offer to sell or the solicitation of an offer to buy any securities in the United States. The securities referenced in this announcement have not been registered under the U.S. Securities Act, and may not be offered or sold in the United States absent registration under the U.S. Securities Act, or pursuant to an exemption from, or in a transaction not subject to, such registration requirements. Any securities issued as part of the Acquisition (including the New GXO Shares) will be issued in reliance upon available exemptions from such registration requirements pursuant to Section 3(a)(10) of the U.S. Securities Act. Any Acquisition will be made solely by means of the Scheme Document published by Clipper. Any decision in respect of, or other response to, the Acquisition, should be made only on the basis of the information contained in such document.

In some cases, forward-looking statements can be identified by the use of forward-looking

However, the absence of these words does not mean that the statements are not forward-looking. These forward-looking statements are based on certain assumptions and analyses made by the company in light of its experience and its perception of historical trends, current conditions and expected future developments, as well as other factors the company believes are appropriate in the circumstances.

These forward-looking statements are subject to known and unknown risks, uncertainties and assumptions that may cause actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements.

Factors that might cause or contribute to a material difference include, but are not limited to, the risks discussed in GXO’s filings with the SEC and the following: the severity, magnitude, duration and aftereffects of the COVID-19 pandemic and government responses to the COVID-19 pandemic; economic conditions generally; supply chain challenges, including labour shortages; competition and pricing pressures; the GXO Group’s and/or the Clipper Group’s ability to align the GXO Group’s and/or the Clipper Group’s investments in capital assets, including equipment, service centres and warehouses, to their respective customers’ demands; the GXO Group’s and/or the Clipper Group’s ability to successfully integrate and realise anticipated synergies, cost savings and profit improvement opportunities with respect to acquired companies; acquisitions may be unsuccessful or result in other risks or developments that adversely affect the GXO Group’s and/or the Clipper Group’s financial condition and results; the GXO Group’s and/or the Clipper Group’s ability to develop and implement suitable information technology systems and prevent failures in or breaches of such systems; the GXO Group’s and/or the Clipper Group’s ability to raise debt and equity capital; litigation; labour matters, including the GXO Group’s and/or the Clipper Group’s ability to manage its subcontractors, and risks associated with labour disputes at the GXO Group’s and/or the Clipper Group’s customers and efforts by labour organizations to organize its employees; risks associated with defined benefit plans for the GXO Group’s and/or the Clipper Group’s current and former employees; fluctuations in currency exchange rates; fluctuations in fixed and floating interest rates; issues related to the GXO Group’s and/or the Clipper Group’s intellectual property rights; governmental regulation, including trade compliance laws, as well as changes in international trade policies and tax regimes; natural disasters, terrorist attacks or similar incidents; a material disruption of the GXO Group’s and/or the Clipper Group’s operations; the inability to achieve the level of revenue growth, cash generation, cost savings, improvement in profitability and margins, fiscal discipline, or strengthening of competitiveness and operations anticipated or targeted; the impact of potential cyber-attacks and information technology or data security breaches; the inability to implement technology initiatives successfully; the expected benefits of the Acquisition, and uncertainties regarding the Acquisition, including the risk that the Acquisition will not produce the desired benefits; a determination by a tax authority that a distribution or certain related Acquisition on transactions should be treated as taxable transactions; expected financing transactions undertaken in connection with the separation and risks associated with additional indebtedness; the risk that dis-synergy costs, costs of restructuring transactions and other costs incurred in connection with the separation will exceed estimates; and the impact of the separation on GXO’s businesses, operations, relationships with customers, suppliers, employees and other business counterparties, and the risk that the separation may be more difficult, time-consuming or costly than expected, which could result in additional demands on GXO’s resources, systems, procedures and controls, disruption of ongoing business, and diversion of management’s attention from other business concerns. All forward-looking statements set forth in this announcement are qualified by these cautionary statements and there can be no assurance that the actual results or developments anticipated by the GXO Group or the Clipper Group will be realised or, even if substantially realised, that they will have the expected consequences to or effects on us or its business or operations. Forward-looking statements set forth in this

announcement speak only as of the date hereof, and neither GXO nor Clipper undertake any obligation to update forward-looking statements to reflect subsequent events or circumstances, changes in expectations or the occurrence of unanticipated events, except to the extent required by law.
